We appreciate you!

QUALIFICATIONS GALORE!

And we have Working Western!!

Welcome to the Working Western Celebration Classes and the Working Western Celebration Nor-Cal Shoot Out

The AHANC Concurrent Shows & Pacific Slope Championships are equal to TWO PRESHOWS AND A REGIONAL!!

The AHANC Concurrently judged shows feature a Region 3 judge and a Region 2 judge in the ring at the same time.

You receive points/placings that allow you to compete at the corresponding Regional Show.

As a bonus, you can also use those qualifications to compete at the Pacific Slope Championship Show held Friday and Saturday.

WHAT ARE THE PACIFIC SLOPE CHAMPIONSHIPS?

Think of it as another Regional.

As a matter of fact, The Pacific Slope Championships and The East Coast Championships were like our original Regional qualifiers for Nationals, that is, before we even had Regions!

The Pacific Slope Championship classes qualify for US and Canadian National competitions just as a Regional competition does.

Points/Placings from most shows in Regions 1, 2, 3, 4, 5 & 7 will qualify for the Pacific Slope Championship Classes;

Just check with the sponsoring club to see if they have joined Pacific Slope.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
